dedication

At our school a person's attitude is of equal importance to his actions. Mauritz Dahlberg, our Building Services Supervisor in charge of the care and maintenance of our entire campus, is a man whom we respect not only for the work he has done to make John Muir an outstanding high school, but also for the way he does his job — with an attitude of friendliness and cooperation.

We feel that we have been fortunate in knowing you, Mr. Dahlberg, and in dedicating this book to you we wish to express our thanks.

foreword

A hall pass, a favorite spot on campus, a club president's gavel, a student body card, a battered history book, an absence slip, a cap and gown — these are the things we connect with Muir; these the the things which we build our memories upon.

On the pages of this '59 **Hoofbeats** are recorded such memory-makers in all their superficial simplicity, but with the realization that to the Senior Class they mean Muir.

The John Muir High School Band has participated in many activities this past year. Its seventy members are under the very capable leadership of Drum Major Loren Woodson and Director Dean Brown. They performed at all of the football games, participated in the All-Western Band Review in Long Beach of which they were trophy winners, the Arcadia Invitational Band Review and various music festivals and spring concerts. They have also played for junior high school assemblies.

Band officers are Tom Battaglia, Jack Fulks, Loren Woodson and Bruce Sage.

orchestra

The Muir Orchestra, under the capable direction of Dean Brown, enjoyed a varied and musically profitable schedule. The highlight of the year was the annual Musical Festival held at Pasadena City College when orchestras from all over Southern California participated. Another feature included a trip to Los Angeles State College where an adjudicator training program was held. Additional participation was encouraged with the formation of two string quartettes, two woodwind quintettes, a brass choir, a horn quartette and several violin duets.

This year's staff leaders have done an outstanding job. They are Susan Williamson, Elizabeth Vallas, Margaret Stover, Cynthia Slavett, Yvan Merineau and David Gruwell.

Mr. Robert Heckman led the Girls' Glee as part of an inspirational musical program at Thanksgiving time.

There was plenty of action and many lively laughs in the school's production of Mary Chase's play "Harvey."

The California Cadet Corps is an educational program designed for military leadership. A very active club on the Muir campus was the Senior Adelprians. An important project this club performed was making the blue and gold pom-poms for the senior girls who participated in the Big "M," while helping to support a Mexican family in Los Angeles was a good example of their charity work. The Senior Adelprians held project parties where they participated in, and planned for, many activities. Social events and money making projects, such as teas, parties, fashion shows, food sales, and pep card sales, were typical projects planned at their meetings. They have also made tray favors for hospitals and worked for the Red Cross during the year. All Muir senior girls are eligible to join Senior Adelprians, but fifteen service hours per semester are required to remain in the club.

In September the Shutterbugs visited the Los Angeles County Fair.

The Shutterbug Club, one of the most successful clubs on campus, helps to promote interest in photography. One of the highlights of the year was when Diana Jepson Vance, a fashion coordinator and model instructor, spoke to the group on colors best suited to various complexions and eye colorings. They included in their activities for the year a lecture by Don Cownie, Public Relations Photographer, and an evening at Drewry Photocolor.

SEASON'S REVIEW

The Muir Colts had a very successful season with a record of seven wins and two losses. The non-league games with Fontana, El Rancho and Western proved to be no match for the Colts. The Foothill League was a little bit rougher, as the "B's" soon found out. In the first game with Glendale, the Colts had little trouble winning, trouncing the Dynamiters 18-0.

Burroughs beat the Colts by a score of 18-6. The next game was no contest, as the Colts rolled over the Burbank Pups 41-6. The following game was a tough battle with the Glendale Hoover Tornadoes in which the Colts came out on the short end of a 12-7 tally. The contest with Pasadena was met with high spirit and determination. Muir took control and led all the way to a 38-12 triumph.

SEASON'S REVIEW

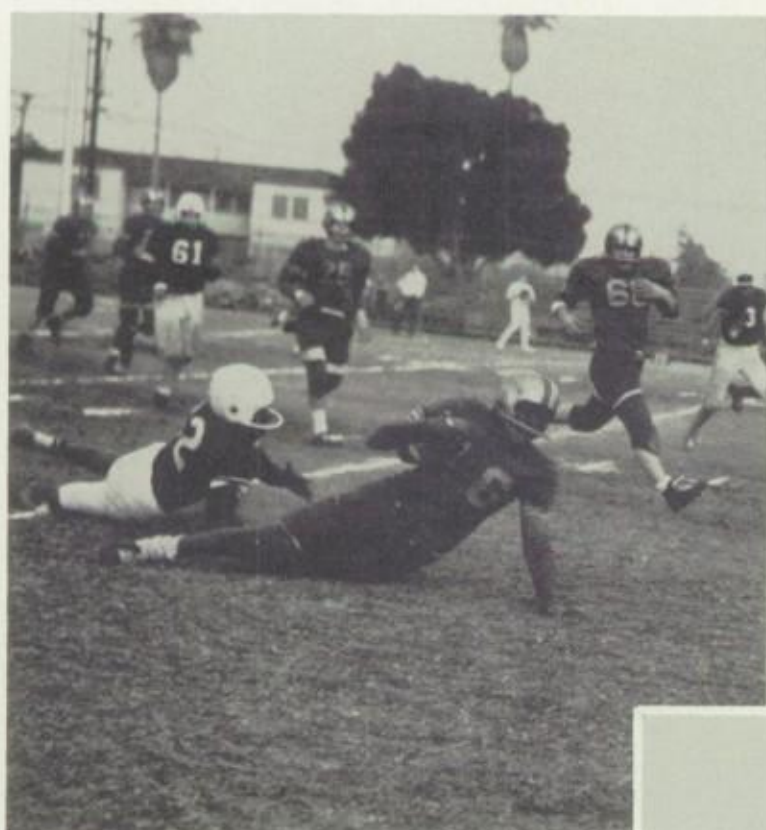

The Muir Junior Varsity had a very successful season, compiling a record of five wins and two losses. Brian Rapp, Junior Varsity Quarterback, led the team to two victories in their first two outings. The League proved to be a little bit tougher as they dropped their first game to Glendale. The J.V.'s romped over their next four opponents with easy victories. SEASON'S REVIEW

Muir's baseball team had another great season. The pitching was tremendous due to the fine performances turned in by ace right hander Bob Weidig, southpaw Pep Parker, and speedball artist Don Mitchell.

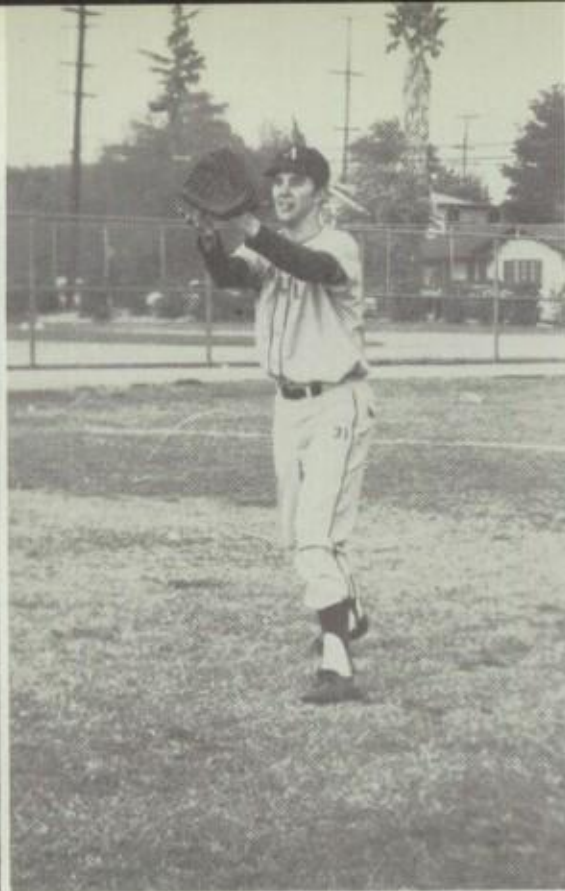

The hitting was weak at times, but Muir managed to get just enough runs across home plate to win its share of the games.

Bob Dombrowski beats out a hard single in the first League game against Glendale.

in memoriam

Pasadena lost one of its finest citizens and Muir High School one of its most beloved and respected teachers on February 13, 1959, when Nicholas Veneziano passed away at the Huntington Hospital.

Born in Italy, Nick was brought to California as a small boy. He was a nature lover, and his ability to reproduce, and to teach others to reproduce beautiful plants is attested by many of the lovely gardens of the Pasadena area and by the beautiful landscaping of the Pasadena schools. His genius was acquired through a lifetime of study, research and practice. A country doctor of the plant world, whose usual fee was the gratitude of his constituents, Nick always found time to minister to the needs of an ailing tree or shrub of a friend, or of the friend of a friend. Production, extension and enhancement of beauty was adequate reward for this genius of horticulture.

In this era of turbulence and strife, we sorely miss our dear friend, Nick Veneziano, who kept his hands in the soil, his heart in his work, his love in his family, his faith in his students, and his soul in the beauty with which he surrounded himself.

editor's note

Putting out a yearbook, such as this '59 **Hoofbeats**, could be a real task — a job with little pleasure and only hard work. Yet with a staff and co-workers who unselfishly give their time and interest and a cheerful word now and then, this important task becomes lots of fun. I know, for I worked with such people this year.

First of all, my thanks go to Lee and Jeannie and their adviser Miss Louise Selin for the initial creativity they showed in so meticulously laying out each page in this book. Photography played an extremely important part this year, and it goes without saying that I owe much to Mr. Lee Moyne Mark and his editor Mari and her assistant Diane for coming through so beautifully in the home stretch with the pictures we needed. Even with such a great demand for quantity, the quality of the pictures did not suffer.

And perhaps most important to me, because I worked so closely with them, were the members of the journalism department. To all the class copy writers a big thank you . . . thanks to section leaders Gaby, Beth, Carol, Jill and Mike for doing your jobs so well . . . and to Carol and Ron for, among other things, lining up subjects so neatly along the auditorium steps . . . Sue, you stepped in so efficiently — it was a relief to know that you were there . . . John, chief penny-pincher and budget-balancer, you were great . . . Lillian, what would I have done without your invaluable assistance and encouragement — good luck next year . . . and Mr. Anderson, you were the back-bone of this whole operation, the patient and understanding guide of our staff.
